It is said that every city has its own soul.

Bucharest has its own too, you can search for it wherever you like, but you won't feel it better than at **Caru' cu bere**, the place where you can celebrate the **New Year** like never before. Plan early to dance and have fun with us on New Year's Eve and relax from now until the party.

For the 19th year in a row, the **WIENER WALZER** Orchestra will recreate, with its waltzes, the atmosphere of a Viennese ball in the historic setting of Caru' cu bere.

And this New Year's Eve, at Caru' cu bere, there will actually be **two celebrations: one upstairs, in the Salon**, more formal, and **one downstairs, in the Cellar**, with folk dances and music, a band and revelry.

**Both parties and the open bar start at 9:00 PM**, and we'll keep the celebration going until 4:00 AM.

## **Organisational stuff**

A dedicated team, led by our **skilled Chef** and **two event managers**, will take good care of you.

We have prepared **4 selected dishes** that will make you lick your lips. And of course, we will also have the Royal House's Sparkling Wine – Rhein Extra, along with other drinks to keep you refreshed and cheerful.

When the Wiener Walzer Orchestra takes a break, other artists will take over and keep the party going. They will only take a moment to catch their breath at midnight, when the music stops so that in the first seconds of 2026, all the well-wishes, kisses, and the sounds of popping champagne corks can be heard clearly.

## **A mix of synesthesias.**
