Bucharest can be told in many ways.

At Caru' cu bere, it is lived.

The **New Year's Eve Ball** is more than just a celebration. It has become **a true tradition**.

This year, we celebrate 20 years of New Year's Eve at Caru' cu bere - **two decades** of memorable nights, dancing, elegance, and the joy of welcoming the New Year together.

With its timeless waltzes, **the WIENER WALZER Orchestra will recreate the charm** of a Viennese ball within the historic setting of Caru' cu bere.

Once again this year, New Year's Eve at Caru' cu bere unfolds across two distinctive settings, each with its own charm. In the Salon, the evening comes to life with elegant music and moments of dance, while in the Cellar, the celebration continues with traditional live music, Romanian circle dances, and vibrant party energy.

Both experiences, together with the open bar, **begin at 9:00 PM** and continue until 4:00 AM, for a New Year's Eve celebration enjoyed to the fullest, in true Caru' cu bere style.

Organisational stuff

A carefully selected team, led by our **Chef, a true artisan of taste**, will orchestrate every detail of the evening, ensuring an impeccable experience from the very first moment to the final toast. Alongside him, **two Event Managers** will make sure everything unfolds seamlessly and to the highest standards.

For this special New Year's Eve edition, **we have created a four-course menu**, built around carefully selected dishes, balanced flavours and festive touches.

The drinks selection completes the experience with **Rhein Extra – the Sparkling Wine of the Royal House**, alongside the award-winning **Bacanta** collection from **Crama Gârboiu - wines with character, depth and elegance**, chosen to perfectly complement a night of celebration.

When the Wiener Walzer Orchestra plays its final notes, other artists will take over and keep the celebration going, without letting the rhythm fade.

Only **at midnight** will the music pause for a few moments, just long enough for the first seconds of **2027** to ring out clearly: New Year wishes, embraces, and the celebratory pop and clink of sparkling wine bottles and glasses raised to the year ahead.

A mix of synesthesias.

Here are the arguments that follow...
